

UAW LOCAL 600

People Before Banks Rally Thursday June 2, 2011 6 P.M.

Mobilize to Stop Foreclosures and Protect Our Neighborhoods!

Please come and support your community against the fraudulent foreclosure practices that are driving people from their homes. Attorney Vanessa Fluker, who faces a \$12,000 fine for defending victims of foreclosure, will be speaking as well as UAW Local 600's own General Baker. We have only one way of defending ourselves and that is to organize for a moratorium on foreclosures and support our "Peoples Lawyer," Vanessa Fluker.

You Can Make a Difference!

Rally support for "The Homeowner Protection and Neighborhood Preservation Act" to stop foreclosures in Wayne County and investigate mortgage banking fraud. We have invited all of the County Commissioners to attend as well as numerous community leaders from the area. Come hear how the bill will:

- **Urge the sheriff to put an emergency moratorium on further foreclosures.**
- **Launch an investigation into the "extent to which the county and its citizens have been victimized and economically harmed by the fraudulent practices of banks and mortgage servicers."**

Light refreshments and music will be provided.

**Join us at UAW Local 600, 10550 Dix Ave
Dearborn MI, 48120, on June 2, 2011 at 6 p.m. - 8p.m.**
