The battle for land justice heats up further with actor/activist Danny Glover speaking at a meeting this Saturday organized by Detroiters opposed to the proposed sale of more than 1500 City owned lots to John Hantz.

The meeting will be held Saturday, December 8, 2012, 6:00 - 8:00 p.m. at Timbuktu Academy of Science and Technology, 10800 E. Canfield, 1 block east of French Road, Detroit, 48214. Spread the word!!! We need a heavy turnout by those living on Detroit's lower east side. "The hotter the battle, the sweeter the victory!" We need more foot soldiers to mobilize in that neighborhood.
