RE: Hydroplane Boat Races
June 18-21, 2010

Dear Mr. Bell:

The Economic Development Corporation of Detroit, the EDC, withdraws its offer for a Short Term Occupancy agreement with Bell Hydroplane Racing Team, LLC. It appears that Bell Hydroplane does not have the appropriate permits to conduct such an event.

Furthermore, it appears that the proposed boat racing event is not endorsed, or associated with the Detroit Riverfront Conservancy's *River Day's* event.

Best wishes to you in your future endeavors.

Sincerely,

Tracie Tillinger,
EDC
