Dearborn Heights PD units were dispatched to [REDACTED] Outer Dr on the complaint of a man that shot someone on his front porch. RO was the first to arrive on scene and other units arrived only seconds after. RO observed a black female lying on the front porch with an apparent gun shot wound to the face and no signs of life.

Wafer walked out the side door (west side of home) with his hands out to his sides as officers were approaching the house. Corporal Krot met Wafer at the sidewalk just outside the side door and patted him down for officer safety. RO asked Wafer what happened. [REDACTED]

[REDACTED]

[REDACTED] RO asked Wafer where the gun was and he said it was on the floor just inside the front door [REDACTED] RO did not ask Wafer any further questions.

Myself and D/Sgt. Wengrowski responded to the Outer Drive address at approximately 6.a.m. on a shotgun discharged by homeowner at an unknown female on the front porch (called in 0442 a.m.).

Conditions: cold, windy and rain. At the scene DHPD Patrol Sgt. McManmon provided me with a DHPD Consent to Search Home - located at [REDACTED] W. Outer Drive Dbn. Hts., MI 48127. The consent form signed by homeowner Wafer and Cpl. Gonzalez, witnessed by Cpl. Hutchens.

I observed Decedent McBride lying face up on the porch (feet within a few feet of the front door & head partly obscured by a bush). McBride suffered a large wound to the center of the face/head, consistent with a closer range shotgun blast. McBride was wearing black boots (left sole split, white socked foot showing) dark blue jeans, black belt and blue zip-up hoodie.

[REDACTED]

Northern most West side door was locked and no obvious sign of tampering to that door (partially collapsed wooden steps leading up to door).

The front entry door was open (no signs of prying, kicking or tampering) and the front screen door was closed/locked. The front screen was popped out with a tear in the screen (Cpl. Zawacki had photographed that upon arrival).

On the carpet near front door lay a Mossberg Model 500A 12 ga. pistol grip pump shotgun. black in color, Ser [REDACTED] I unlocked screen door while M.E. took photograph of shotgun through screen door. ID for Renisha Marie McBride on her person TOT DHPD at scene. I popped screen back in place (held in loosely by one screwed in tab at the top and rested in the channel at the bottom of storm door) so Cpl. Zawacki could photograph it in place with a tape measure, as shotgun blast could have blown screen out of place.

D/Sgt. Wengrowski preserved shotgun for prints: he discharged the only round in the shotgun: one spent red 12 ga. shotgun shell casing onto the carpet. Cpl. Zawacki finished photographs and collection of evidence (see his report).

Victim possibilities include: she is in fact known to Wafer, lost, neighbor, car trouble/accident, left group home, Vista Maria resident, crime victim, etc.? Cpl. Hutchens related he would check at

Vista Maria (no result) officers noted that other parked vehicles in area belong to residents.

[REDACTED]

Myself and D/Sgt. Wengrowski then responded to WC M.E., Dr. Kesha examined decedent McBride and stated it was a homicide, McBride was "shot at close range." [REDACTED]

D/Lt. Serwatowski was phoned immediately and ran the 2004 Taurus MI [REDACTED]. The Taurus showed impounded (case #1311020063) by DPD for a hit and run (Crash report case #256923) that occurred at Bramell n/o Warren Ave. in Detroit, about 0130 a.m. this morning. Report indicated 2004 Taurus struck a parked car: the lone, young, BF driver attempted to start vehicle, then exited it and walked away.

11/03/13

I interviewed the following on Bramell street in the a.m. and requested statements as well:

[REDACTED] struck by Victim's Taurus. Both heard loud crash and Victim exited her Taurus (airbags had deployed) alone (wearing jeans and a hoodie) and walked away, then came back, tried to drive away, and then walked South on Bramell turned East and rounded corner of Warren Ave.

[REDACTED] tried to have Victim McBride stay at scene and [REDACTED]

[REDACTED]
relates that she was seated in her parked car in the street when driver (McBride) drove her Taurus at a high rate of speed and struck the neighbors parked car. [REDACTED] came out upon hearing the crash. [REDACTED] and looked to have a cut on her left hand from crash [REDACTED] offered help as McBride did not have/produce a cell phone; but McBride walked away, came back and then walked away South on Bramell, turned east and rounded corner of Warren (on North side of street).
