Case # 13-53846

Judge Steven Rhodes
c/o Clerk of the Court
United States Bankruptcy Court
Eastern District of Michigan
Southern Division
211 W. Fort St, Suite 1800
Detroit, MI 48226

Dear Judge Rhodes,
I am a City of Detroit, Retiree with great concern
regarding the proposed plan of adjustment to my
pension. My life and that of my family
will be devastated. I could no longer stay in
my home. I cannot afford health insurance
& I can't afford med, I can't my medicines.
My husband and I both retired from
the City, therefore, our household would
take a 68% pay cut. We would be
on the street ever →

I worked for the city of Detroit
31 years, and my husband worked for the
city 32 years, we retired with
the promise that we would have
a pension and health insurance. I
think this is unfair, that we have
to live our golden years in fear
of being homeless.

Therefore I respectfully ask you to throw
out Eric's plan of adjustment.
