Dear Steven Rhodes:

I am a widow woman
age 81 - I already lost most of my
income. I don't get much pension
money and my living is set
for a small amount. - I
will be devastated to lose any of
my pension that I get --- It may
not mean nothing to some people
but it mean ~~a~~ lot for me.

I worked in the Poverty Program
Finance Dept SSA from 1965 to 1991
