Q- Mr Hubbard were you advised of your Constitutional Rights?

A- yes

Q- Do you have any questions regarding those rights?

A- No

Q- Mr Hubbard do you now wish to give a statement?

A- yes

Q- Mr. Hubbard What can you tell me about the shootings that occurred at 4139 Canton on 8-18-04?

A- I was over on Canton St. selling crack out of the spot. My shift was over around 8:00pm so I was ready to go. I used this guys cell phone named Allen who was up in the spot. I called Tom Tom he's the head dude up there that sales dope. I told him that I was ready to go. Tom Tom told me that he had to pick up his wife and that he would be over to get me. A hour and a half had passed so I called him back and asked him was he on his way. He told me he would be there in a little while. Another hour had passed so now it's like 10:30pm so I called my brother Johnny Jones to come and get me. He told me his truck didn't have any gas so he couldn't come. I told Allen, I was going to give Tom Tom 15 more minutes then I was leaving. 15 mins passed so I left out the spot and walked up towards Gratiot. When I got up to Gratiot my brother Alton Hubbard pulled up in a car and told me to get in. Alton asked me where the guage was that Tom Tom had gave me. I told him that it was over in the spot on Canton St. my brother Alton drove back around to the house on Canton St. we parked in front of the spot and walked up in the house. I told D-Man and Tone that I was going to let my brother use the guage and that I would bring it back

the next day, Tone said OK so I ~~went~~ went upstairs and got the gauge from up under the bed and brought it back down. I handed the gun to my brother and he asked was there any shells ~~in~~ in it. I told him I think so, there should be one in the chamber for sure. My brother was messing with it and cocked it. One of the rounds fell out so he picked it up and put it back in. One of the guys in the kitchen called me in and asked me if I had some shit. I told him that it wasn't my shift. I walked back up to the front, my brother was still in the kitchen. I was talking to D-Man, he asked me when was I coming back. While I was talking to D-Man I saw Tone walk towards his bedroom carrying a gun, it looked like a 9mm. While I was standing there talking to D-Man I heard a loud boom come from the kitchen. Me and D-Man jumped at the same time. D-Man ran towards Tone's bedroom. My brother came out the kitchen and shot the white guy that was sitting on the couch in the dining room. I looked at my brother and asked him what the fuck you doing. He looked at me and said "What the fuck you think I'm doing, I'm about to get this bread". He asked me where the other guys went. I told him that they had ran into the bedroom. My brother went over and kicked on the door but they must have been leaning against it. So he just shot through the door. When he kicked it the second time it flew right open. I saw Tone reaching for his gun so I shot at the wall to scare him. Then I ran out the house and up to Greatist. When I got up to Greatist I fell down to my knees and started crying and throwing up. My brother pulled up in the car and told me to get in. He drove me over to my sister's house on Iroquois and Greatist dropped me off and left with all the guns.
