“ To the Watkins Family You Have My Deepest Condolences To My Love, I never thought that you would be taken away so soon. We were teenagers when you went away but we grew together. We had a bond that was unbreakable. I reminisce about our teenage years and all the good times we shared. We remained solid over the years through letters, visits and phone calls. You were a protector of my Children, Grandchildren and Myself. Your WORD was your BOND! (They don't make them like you anymore) We Love you, Forever in our hearts!
