# WHO WE ARE !

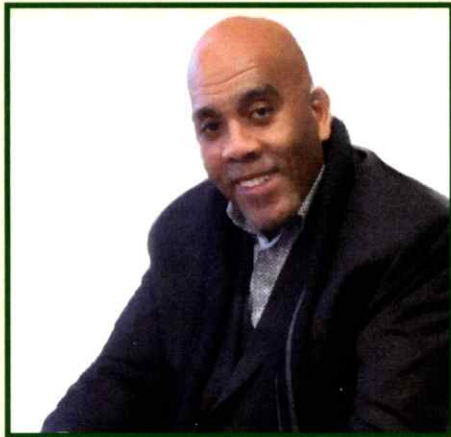

*The Friends of Returning Citizens*

(FORC), is a program of  
the Detroit Catholic  
Pastoral Alliance

*Our Mission* is to provide navigation assistance for returning citizens. We stand for and advocate criminal justice reform.

*Our Vision* is to offer a safe-space that allows individuals to focus on personal growth and immediate needs, such as clothing, housing referrals, hygiene items, employment and volunteer opportunities. Our vision also strives towards ending unjust convictions and works within the legislative process to create just policies.
