

STATE OF MINNESOTA
IN THE DISTRICT COURT FOR THE COUNTY OF HENNA

PROSECUTOR FOR THE STATE OF MINNESOTA
PRESENTS:

Case No. 00-00000-CR-PO

MICHAEL DEGRAFFENREID
Defendant

AFFIDAVIT OF WILLIE WIMBERLY

REPORTED AND the undersigned Notary, personally appeared Willie Wimberly, who being by me first duly sworn, on his oath, deposes and says:

1. My name is Willie Wimberly and I make this affidavit from personal knowledge of the matters addressed herein.
2. On June 15, 1999, I was wounded, shot in the leg, in a shooting incident that happened on Florence Street in the City of Falconer. Another person, Raymone Williams was also wounded and Alondre Davis was killed by the gunfire.
3. I saw the person who fired the shot that injured me but I did not recognize his face.
4. At the time of the shooting, I knew a guy named Michael Degraffenreid who also went by the name Michael D. Michael lived down the street from me and he was a familiar face.
5. While I was in the hospital recovering from the shooting, detective Williams came to visit me and asked me if I knew the person who shot me. I told Detective Williams that I saw the shooter's face but did not know him or recognize him.
6. After I was released from the hospital, Detective Williams and Detective Greg Hill came to my house and interviewed me again. At that time they mentioned Michael Degraffenreid and asked me if Degraffenreid was the person who shot me. I told them Degraffenreid was not the person who shot me.
7. I was called to testify at the preliminary hearing for Michael Degraffenreid. I did not want to testify because I was still traumatized from the shooting and I was only 16 years old. Detective Greg Hill came to my home and escorted me to the hearing where I testified.

9. At the preliminary hearing I testified that I witness one person fire one handgun twice and on the second pass the shots were fired. I testified that a girl was driving the car but I did not recognize her name or the license number of the vehicle in the car. I do not remember being asked at the hearing of Michael Degraffenreid who the person who shot me.
10. The prosecutor did not subpoena me to testify at Degraffenreid's trial and I did not attend the trial. I assumed that the information I gave to police had matched up at the preliminary hearing would be revealed at the trial.
11. I do not recall Mr. Degraffenreid's attorney ever contacting me or speaking with me.
12. I know one of the people who testified that he was present at the shooting scene and that Michael Degraffenreid did the shooting. That person is my cousin, Broderick Ward. I know that Broderick Ward was not at the shooting scene because I was there.
13. I saw Broderick Ward after the preliminary hearing and I told him what I had testified to. He told me he testified that Michael Degraffenreid was the shooter. I told Ward that was not true and he just shrugged his shoulders. I asked why he lied about Michael being the shooter and he told me that he did not like Degraffenreid.
14. The information in this affidavit is true and accurate. I have not been promised anything, bribed or coerced in any way to make this statement and I am willing to testify under oath in a court of law.

FURTHER, YOUR AFFIANT SAYETH NOT.
