RE: Job Pick Labor/Management Meeting – Follow Up & Next Steps

To: Mr. Wilson:

Please accept this letter as a follow up to the Labor/Management Meeting that was held on June 22, 2012.

Deputy Director/COO, Bill NoJay informed the group of the anticipated changes in operations due to the challenges facing the City of Detroit and DDOT.

The Union expressed its desire for a job pick to commence without delay.

It was mutually agreed that the Vehicle Maintenance management would work with the Local 312 Grievance Committee to immediately begin facilitation of the process.

The meeting took place on June 26, 2012 and a transfer plan was designed, which will allow 312 employees affected by the emergency transfer from Coolidge Terminal to Shoemaker Terminal to exercise their rights in accordance with the supplemental agreement.
