

BELLE ISLE PROPOSED LEASE ARM ROBBERY!

In November of 1992 the voters of Detroit approved a \$14 million dollar millage for Belle Isle. This millage was for 30 years, due to expire 2022,

In November of 1997 the voters of Detroit approved a \$38 million dollar millage for recreation, the zoo and culture facility (this included Belle Isle). This millage, again was for 30 years, due to expire 2027,

In November of 2000 the voters of Detroit approved a \$56 million dollar millage for recreation, the zoo and culture facility (this include Belle Isle). This millage, again was for 30 years, due to expire 2030,

On August 27, 2001 The Detroit News wrote an article stating, “since, Detroit was under no legal obligation to fund specific projects named in the ballot proposals, it could change spending priorities as it wished.”

In November of 2004 the voters of Detroit approved a \$22 million dollar millage for recreation, the zoo

and culture facility (this included Belle Isle). This millage again, was for 30 years, due to expire 2034,

In November of 2009 the voters of Detroit approved a \$97 million dollar millage for recreation, the zoo and culture facility (this included Belle Isle). This millage again, was for 30 years, due to expire 2039.

We are paying the sum total of 227 million not counting the annual interest rate.

We are still paying for Belle Isle and we own it and there will be no fees.

We will not allow Snyder, Bing or the Detroit City Council to rob us of our monies or our Island, under the pretext of saving money.
