What's up?

I'm one of the guys that wrote the UCLA about Detroit Homocide giving JOE TWILLEY and 7 other guys police Reports and making up false statements. the got to over turn over 100 M1 cases, newly discovered evidence, Homocide had guys put Matt Loe to guys on the 9th floor to get info. after they show them photos of the defendants, high tech shit if you see how they had to let all them guys out of prison in LA and NY. on this, its over 100 guys with M1 cases from Detroit that homocide set up. flat out nigger they are under an investigation, you see how easy you got out, I'm into politics. But the info cost \$\$\$
