AFFIDAVIT:

I Frederick Daniels, hereby swear and affirm, under the penalty of perjury, that the following information is true. I have not been coerced to fabricate any information, nor have I been threaten by the above party in this matter...

On September 21, 2004, my nephew Jeffery Daniels, was murdered on Balfour Street on the northeastside of Detroit. The day before my nephew was murdered my son William Daniels, brought Jeffery along with him to take my grandsons greatgrandmoter to a near by grocerystore. Before going to the grocery store. Jeffery left this 45 firearm inside my grandson's greatgrandmaothers apartment in Clinton Township. I knew about this particular firearm, because my son William and Jeffery had just left my house, previous to going to my grandson's greatgrandmother's house.

I'm coming forward with this information because I never knew that Theolnions Searcy was charged with my nephew's firearm. Please forgive me for withholding this information for so long. I honestly didn't know that Searcy was incarcerated for this firearm. Nobody never spoke about this incident to me. My whole family knew that Jeffery kept this firearm on him daily.
