

AFFIDAVIT OF JIMMIE BLUE

STATE OF MICHIGAN)
)
COUNTY OF MACOMB)

J.B.

1. My name is Jimmie Blue and I reside in Detroit.
2. In August of 1999 I was questioned by Detroit Police in connection with the killing of Ivory Harris, who was known as Chips or "C" and I testified in the trial of Nicholas Hudson, who was known to me as "Bill".
3. Ivory Harris was shot on the street not far from my home on Stout in Detroit.
4. The day Ivory Harris was shot, at the time Ivory Harris was shot, I was inside my house with my common-law wife, Janet Inge, who is now deceased.
5. The first we knew that Ivory Harris had been shot was after we heard a gunshot and someone came to our door and told us there had been a shooting.
6. I am aware that Janet Inge testified that she saw Nicholas Hudson, or "Bill," shoot Ivory Harris, but this could not be true because she was with me in the house when the shooting happened.
7. At the time she testified, Janet Inge was a heavy drug user and often said things that weren't true.
8. At Nicholas Hudson's trial I testified that Janet Inge said "I think I seen Bill shoot somebody," but I was never asked if this was possible.
9. If I had been asked, I would have testified that it was not possible for her to have seen the shooting and I would have testified that Janet Inge often said things that I knew could not be true.

10. Over time, I had learned to disregard these untrue statements.
11. I do not know why Janet Inge testified falsely.
12. After the trial, I did not want to discuss these matters with anyone, and I avoided any discussions and attempts by people to ask questions about these matters. I always refused until recently approached and reminded that a man has been behind bars for over a decade based on what Janet Inge said she saw during one of her drug induced stupors.
13. I have provided this information of my own free will and have not been promised anything in return for my truthful affidavit.

The above statement is true to the best of my knowledge.
