Gaza Massacre: Michigan Muslim Leaders Call to #AbandonBiden in 2024 Election

WHEN:

Thursday, November 9, 2023 / 12 NOON EST

WHERE:

Patrick V McNamara Federal Building (Front entrance)
477 Michigan Ave. Detroit, MI 48226

WHAT:

Muslim Michigan leaders, echoing the sentiment of their communities, are pledging to #AbandonBiden. With over 10,000 Palestinians killed, 75% of them women and children, the Biden Administration has facilitated the genocide of Palestinians in Gaza through its refusal to demand a ceasefire. Furthermore, the Administration has pursued additional aid for the Israeli government as it actively continues its mass murder of entire families and communities in Gaza. Earlier, Minnesota Muslim leaders urged President Biden to call for an immediate ceasefire to the ethnic cleansing of Palestinians in Gaza by Oct. 31, 2023. **Now that the Ceasefire Deadline has passed, Muslim Michigan leaders are pledging to #AbandonBiden and actively campaign for their communities to follow suit.** The press conference will include speakers from the Michigan Muslim community including:

- Imam Dawud Walid
- Mona Mawari
- Imam Imran Salha
- Shaykh Mohamed Almasmari and others

VISUALS:

Members from the Muslim community with signs will be rallying behind speakers at the federal building. Speakers will be addressing media to convey why their communities, who overwhelmingly supported Biden in the 2020 elections, are left with no choice but to abandon Biden, who has chosen to dehumanize Palestinian families facing genocide.
