THE ONGOING CORRUPTION AND CONSPIRACY BETWEEN THE VARIOUS DEPARTMENTS Sheriffs, County Clerks, Registers of Deeds, Fraud Deed Task Force, Treasurer, and the Department of Assessment within the Counties. "Public officials who abuse their positions for personal gain must be held accountable for these illegal acts. AN ABUSE OF LEGAL PROCESS OCCURRED AND AMONGST OTHER THINGS, THE COUNTIES "UNLAWFULLY" AUCTIONED AND SOLD OFF LAND THAT WE OWN WITHOUT OUR KNOWLEDGE OR CONSENT. The elected and appointed officials, directors, officers and employees for the counties, have not been transparent, the Public's Trust has been compromised and through Public corruption, public dollars were spent unlawfully. Our "Public Safety Officials" have allowed Judges, Law Firms and Banks to steal our lands, Shut-off our water and Commit Acts of Racial and Economic Discrimination and Abusive Acts against The People throughout The Counties and Cities in the State of Michigan!!!

Charter County of Wayne, Municipal Ordinance:

Chapter 73 – FRAUD INVESTIGATION POLICY

Sec. 73-1. – Purposes.

(3) To place all elected and appointed officials, directors, officers and employees of the county ON NOTICE that wrongdoing of a criminal nature must be reported directly to the county prosecutor. Supervisors shall be advised of those reports, except when appropriate.

Sec. 73-2. – ACTION required.

(5) All acknowledgements obtained shall be placed in individual personnel files and shall be retained permanently.

WHEN THE FOUNDATION FAILS, ALL FAILS!!!

WE HAVE CORROBORATING PROOF, FACTS & EVIDENCE OF UNLAWFUL AUCTIONS PERPETUATED BY FALSE, FABRICATED AND FRAUDULENT AFFIDAVITS, SHERIFF'S MORTGAGE DEED SALE, MORTGAGE, TAX QUIT CLAIM DEEDS AND PROPERTY TRANSFER AFFIDAVITS ARE BEING PREPARED & RECORDED IN THE WAYNE COUNTY REGISTER OF DEEDS OFFICE & CITY DEPARTMENT OF ASSESSMENT

THERE ARE MULTIPLE LEGAL INCONSISTENCIES THAT CANNOT BE SIMPLY DEEMED MATTERS OF "HARMLESS ERROR" IN THE WAYNE COUNTY AUCTION & SHERIFF'S SALE AFFIDAVITS AND DOCUMENTS BY THE AUCTIONEER FOR THE WAYNE COUNTY SHERIFF'S CIVIL PROCESS UNIT AUCTION

THE WAYNE COUNTY "PUBLIC SAFETY" EMPLOYEES & PUBLIC NOTARIES:

NOTICES OF FRAUDULENT SWORN AFFIDAVITS

Publications, Evidence of Sale & Affidavit of Auctioneer.

NOTARY FRAUD

Upon review of the documentation: Public Notaries were not in compliance with **Section 27 of the Act; MCL 55.287 as they failed to sign their name exactly as it appears on their application for commission on file with the Department of State. Notary's Notarizing Initial signatures on** false/fraudulent Sworn Affidavits of Publication & Evidence of Sale Notices.

FYI: Two Public Notary's have been Identify by the Department of State, (Initial's PJ and DE)

*****Please bring your Sheriff's Deeds to the Protest to be reviewed*****

VENUE

There had been alleged Open & Competitive Bidding in Courtroom 1607, a fictitious venue in the Wayne County Circuit Court Tower, in the CAYMC, in Detroit, MI for the CHARTER COUNTY OF WAYNE. The Sheriff's Deed List the Deputy's Address as 1231 St. Antoine. **Fact: 1200 St. Antoine is the Greektown Casino Hotel. **Public Official & Employees are fully aware**, Auctions are being held "unlawfully" in the Auditorium in the City Towers in the CAYMC are Illegal.**

PUBLIC EMPLOYEES

Through this abusive legal process public employees are "Impersonating a 'Peace Officer'/Law Enforcement Officer and **(Re) presenting as a County Deputy Sheriff and Auctioneer**. There are No wet ink signatures, Employees are using Rubber Stamp signatures, and Wayne County Notaries are not identifying (gender)("She" **NOT** a "He")

FRAUDULENT PROPERTY TRANSFER AFFIDAVITS

These fraudulent documents are then filed in the City Department of Assessment; **Affidavits** are **unlawfully** filed **without the owner's signature** transferring the land to an unlawful **buyer**, with no tax assessments. **Affidavits** are being **signed** by the Law Firm Attorneys as the Owner.

THE FORECLOSING LAW FIRMS, ATTORNEYS, STATE and FEDERAL JUDGES:

FRAUDULENT FORECLOSURE COMPLAINTS & SUMMONS – Filed in the County Clerk Offices under false pretences to invoke jurisdiction. **FACT:** No factual witness, proof of standing or interest, or injured party are present before the judges in any court; residents are forced to pay into bogus escrow accounts; Courts cannot provide verification of proof of any deposit into any bank, and judges just give the escrow to the attorneys. We pay for a jury trial, denied due process and they steal our money.

DEED FRAUD

Forged, false and/or fraudulently induced deeds are recorded against properties in Wayne County's Register of Deeds Office without the knowledge or consent of the owner. Why is the Wayne County Register of Deeds not recording the fee paid on the Sheriff's Deed's & Quitclaim Deeds? All other counties list the fees paid on the face of the documents. Is this intentionally done so that Wayne County benefits financially from the fraudulent documents?

ROBO SIGNING

This is done by duplicating foreclosure documents using **Initial Signatures of a County Public Notary(ies) on the Foreclosure Notice Affidavits for Publication & Evidence of Sale.** Law Firm's and their Attorneys are executing and submitting false legal documents in court without ensuring their accuracy. The judges are not allowing the Owners due process to challenge the false legal documents.

DUAL TRACKING

Foreclosing law firms are foreclosing on the People knowing they are in a "lawful" Modification Agreement at the same time as the Foreclosure Process.
